DIGI-HEALTH TECH SOLUTIONS LLC

Government contracting partner for specialty contractors and healthcare providers

UEI VMDHEW7CS945 **CAGE** 260S9 **Texas CMBL vendor** 558399 **Small business** (self-certified) Richmond, Texas

COMPANY OVERVIEW

Digi-Health is a Texas small business that brings capable contractors and healthcare providers into federal, state and local work. We act as the prime contractor or as our partners' contracting office: we handle registration, bid sourcing, proposals, compliance and contract administration, and our teaming partners perform the work they already do every day.

CORE COMPETENCIES

- **Registration and readiness:** SAM and CAGE, the Texas CMBL, and agency vendor portals; representations, certifications and insurance coordination.
- **Opportunity sourcing:** daily screening of SAM.gov and state and local bid portals, with a requirement-by-requirement go/no-go before any pricing work begins.
- **Bid and proposal preparation:** SF 1442 and SF 1449 packages, price breakdowns, technical approaches, schedules, amendments, and HUB and VetHUB subcontracting plans.
- **Compliance:** small business subcontracting limits, Davis-Bacon wage determinations, bonding and insurance requirements.
- **Contract administration:** submittals, certified payroll coordination, invoicing through federal payment systems, and closeout.
- **Project management and oversight** of teamed construction work.

TEAMING CAPABILITIES

Construction and site work	Healthcare (Texas)
Civil and concrete construction; concrete sawing and core drilling; paving; corrosion coatings and cathodic protection; water well drilling; landscaping and grounds (Texas)	Diagnostic imaging and remote radiology reads; orthopedics; pain management; podiatry; ambulatory surgery

WHY DIGI-HEALTH
